Dear Philadelphia Vietnam Veterans Memorial Society,

America 4R Marines truly appreciates your support. Because of your patriotism and generosity, you have had a direct impact in lifting the morale of thousands of Marines and Navy Corpsman. As these brave young Warriors continue to protect and defend our freedom, we must continue to show our support and pride. It is because of generous individuals and companies such as you that we continue to bring smiles and lift the spirits of these Warriors.

The Marines and Navy Corpsman are always amazed and pleased to see individuals and corporations (people they never met personally) from back home express such pride and gratitude their direction.

Without your support, America 4R Marines would not be successful in its missions.

God bless you and yours always.

Most sincerely,

Patty Lewis  
 Founder/President  
 America 4R Marines
