

Good afternoon Bill and ALL,

Just wanted to give you an update on the care packages. The 164th TAOG Unit Ministry Team (SSG Seng and I), are so thankful for your generosity and continued support to our troops.

Today, we received three care packages from all of you and the Soldiers are enjoying it already. Just like when I was in Iraq, and like small children opening Christmas gifts, we are so happy for all the blessings.

This is perfect timing since we will have our Field Exercise in the next two weeks where we hone our skills and be ready where God wanted us to be.

Thank you very much to you Bill, the PVVMS, 104th Cavalry, Holt Cigar, VFW Post 2819, the Ridley Township Police Department, Blair Elementary School, Our Lady of Good Council and Saint Katherine of Sienna School.

It is good to know you all and thank you for your support.

Many Blessings to all of you! "For God and Country - The Guardians"

Padre
