Thank you for believing in the Injured Marine Semper Fi Fund and helping us to assist our wounded heroes and their families as they make their way through life-altering crisis and recovery. Your generous donation of \$200.00 was received on 11/20/2008. Your support means the world to us and we are grateful that you have joined us in our mission.

We are blessed to help restore the dreams to those who have sacrificed so much in their service of our great country. This year, because of donors like you, we have been able to expand our support. We are now able to assist beyond the immediate crisis and recovery period, by helping with handicap renovations to homes, handicap ready transportation, computers and software for those with vision or traumatic brain injuries, and other adaptive equipment.

Your donation will help us to continue expanding the reach and focus of our assistance to improve the quality of life of our service members and their families. The needs continue to be great, and your support ensures that we are able to keep our mission moving forward.

Again, thank you for your support. We cannot overstate your vital role in helping IMSFF accomplish our mission of "serving those who preserve our freedom."

Sincerely,

With the season of Thanks upon us, I would like to take this opportunity to thank you for your support of our 2008 golf outing. With your help, we raised over \$12,000, which will be used to fund our Veteran's Transportation Program here in Bucks County.

Our Transportation Program began in November 2001, and as of May 1, 2008, we have transported over 7,000 veterans to VA hospitals in Philadelphia and Coatesville.

Thank you again, and we look forward to your continued support in the future.

Mr. Thomas Christy, Director
Vietnam Veterans Memorial Association

Dear Mr. Christy,

This letter comes to you as a measure of gratitude for the Vietnam Veterans Memorial Association sponsorship of the annual luncheon and football game for Father Judge and Lincoln High Schools. The ceremonies, including the flag folding, and rifle salute, created a special atmosphere for our game.

While they toiled on the field of play, I realized that the players battle to complete another day. They will long treasure the memories that your organization and you helped create this day.

I also want to take some time to commend your men and you for their most honorable service on the field of battle in Vietnam. While forty years have passed since the height of the war, let me be crystalline in the clarity of my statement what you and your fellow American soldiers did on the field of battle allowed our entire great nation of the United States of America to thrive and live free of communist aggression. I truly believe that the firm stand we took in Vietnam led to the series of events that culminated in the crumbling of the Berlin Wall, and the collapse of the Union of Soviet Socialist Republic.

In conclusion, I thank you on two fronts: 1) For your present service on behalf of the Lincoln and Father Judge football teams and high schools, and 2) For your past service in defense of freedom and liberty for the United States of America. Many generations, past, present and future will long reap the benefits of your great service. As Abraham Lincoln so eloquently stated: with malice toward none and justice for all.

Most Sincerely Yours,

Dr. Donald J. Anticoli

Dear Vietnam Veterans Memorial Society:

I must express my deep appreciation for the 23rd Annual Thanksgiving Day Luncheon which was enjoyed by Lincoln High and Father Judge High Schools. Our teams truly understand the importance of the game so much more since it is dedicated to the troops who protect our country and have sacrificed so very much for us. Also let me thank you for the honor guard who participates in our opening ceremonies. Our ROTC members are very honored to be able to accompany you. Let me again thank you not only for your service and sacrifice for us but for helping us keep the memories and importance of it alive.

Let me also take a moment to express my condolences to Tom Christy for the loss this past year of his parents. We always saw the pride and respect which was evidenced by both his parents as he conducted the program. I'm sorry we didn't acknowledge his loss in a more timely fashion. He has touched the hearts of many players from both teams over these many years.
