Hi Bill!

Just a note to say thank you to all the Philadelphia Vietnam Veterans for their kindness in sending the care package to my Air Force TSgt. son serving in Turkey currently. He received the package yesterday and was not only surprised, but gleefully happy as well. You folks made his Holiday memorable.

Thank you and all those that made my son feel the folks at home have not forgotten them while they serve in harm's way. He is stationed some 60 miles north of the Syrian border and is due to return to the US early Feb 2014 for his next duty station.

We hope you all have a safe and happy Holiday season. Our Air Force son will this year thanks to the kindness and generosity of y'all!

Best Regards,

Paul & Barbara Kuzinski
