Dear Mr. Crean,

The Soldiers of the Medical Task Force 86th Combat Support Hospital would like to thank you for the care packages that you've sent to us since our arrival to Baghdad. The items that we receive support the mission and directly impact the quality of life of our Wounded Warriors and Staff members here at Ibn Sina Hospital.

It is wonderful to know that you are praying for us as we continue to do the job that we are called to do. Thanks again for your support and we pray that God continue to bless you and yours as you have blessed us!

Eagle Medics – For God and Country!

Sincerely,
