Dear Mr. Crean and Fellow 104th Cav:

Thank you for your thoughtful and generous donation of several phone cards for our Soldiers at Walter Reed Army Medical Center, Washington, D.C. Your gift will assist us in our caring for our Wounded Warriors and their Families.

As our nation is at war and her Soldiers are deployed across the globe, your contribution to the health and welfare of those who serve our nation and their Families is a special gift indeed. I hope you know the positive impact your act of kindness, encouragement, and remembrance has had on our Soldiers, their Families and staff.

Please accept the thanks of the Department of Ministry and Pastoral Care on their behalf. As a team of Chaplains who minister to the Wounded Soldiers of Operation Enduring Freedom (Afghanistan) and Operation Iraqi Freedom (Iraq) everyday, it was our privilege to pass on your gift to our recovering Soldiers and their Families.

As you enjoy life and all that it brings you daily, and I pray that you will remember one soldier's appreciation of your service that went "above and beyond" the call of duty and will not be soon forgotten. You exemplify the best that America has to offer. God bless you.

Sincerely,

Dear Len Law and The Vietnam Veterans Society,

Thank you so much for your generous donation. You have helped pay for the cost to ship out numerous supplies to my brother and his platoon. To date, we have sent four large boxes of socks, toiletries, food, and games. Your generosity does/did not go unnoticed. May God bless you and your families.

Sincerely,
