Dear Mr. Bill Crean,

Thank you for the care package. Yes
it made my day a lot better.

Please Thank The Philadelphia
Vietnam Veterans Memorial Society,
Eric and Donna Berries and Major
Armanda Hamilton for me as well.

I am not sure how you found out
about me but I'm thinking Philadelphia
"Rep Kinsey's" office (District on Germantown)
if it wasn't that, then it does not
matter I am just "Grateful." ☺

It was a treat and I also shared
with some of my "Military Battle's".

So Thank You once again from
all of us.

Mildred Jenkins
