- MEANING OF THE FLAG -

"This flag ... is the symbol of our national unity, our national endeavor, our national aspiration. It tells you of the struggle for independence, of union preserved, of liberty and union one and inseparable of the sacrifices of brave men and women to whom the ideals and honor of this nation have been dearer than life ... It means ... that to each generation comes its patriotic duty; and that upon your willingness to sacrifice and endure as those before you have sacrificed and endured rests the national hope."

CHARLES E. HUGHES

"It's Our Duty to Remember"
