Bill,

I hope and pray that everything went well with you, your family and our team of great supporters at The Philadelphia Vietnam Veterans Memorial Society (PVVMS).

The Care Packages came in last week and some arrived today. I shared the packages to the following Chaplain and units:

CH (MAJ) Franklin – 164th Theater Airfield Operations Group (My former unit)

CH (CPT) Cartmill – 1-13th Aviation Battalion

CH (CPT) Gresham – 1-45th Aviation Battalion

We all thank you very much for your continued support to our troops. May our good Lord continue to bless you.

Please give my regard to everyone.

Very Respectfully;

Padre
