Dear Philadelphia Vietnam Society,

On behalf of the Soldiers of the Medical TF 28th Combat Support Hospital (CSH), Sather AB, Iraq, we would like to thank you for all of the cigars that you continue to bless us with for our great warriors here. We are very grateful for them and the incredible support that you have provided. These gifts of love directly impact the morale of our Soldiers and remind them that they are not forgotten. It has opened more doors of opportunity than you will ever know.

We are so happy to know that you are praying for us as we continue to do the job that we are called to do to ensure our Nation and Families can be safe.

Thank you again for your support and prayers. May God Bless you!

Dear Steve and Society Members,

Thank you so much for your very generous contribution of \$300 in memory of brother Tom Fennerty. We will use your gift to preserve the Memorial so that it is always a fitting sanctuary honoring the 646 Philadelphia heroes who gave their lives for their country while serving in Vietnam.

The veterans who campaigned to raise funds to build the Memorial in 1987 adopted the motto, "It is our duty to remember". Over twenty years later, as we raise funds to refurbish the Memorial, that motto remains our pledge. Your gift helps us keep that pledge. With your support, we can assure that future generations will be able to honor and remember the sacrifice of our neighbors, friends, family members and brothers who gave their last true measure of devotion.

Warm regards,
