**Dear Bill Crean,**

On behalf of the Soldiers of the Medical TF 28<sup>th</sup> Combat Support Hospital (CSH), Sather AB, Iraq, we would like to thank you for all of the personal hygiene and snack items that you continue to bless us with for our great warriors here. We are very grateful for them and the incredible support that you have provided. These gifts of love directly impact the morale of our Soldiers and remind them that they are not forgotten. Neither my assistant nor I drink coffee but we love making it for our Warriors. We have the busiest coffee spot in the AO. Everyone comes to us for our coffee. It has opened more doors of opportunity than you will ever know.

We are so happy to know that you are praying for us as we continue to do the job that we are called to do to ensure our Nation and Families can be safe.

Thank you again for your support and prayers. May God Bless you!
